

GUIDED READING LEVELS

Guided reading is a teaching approach designed to help individual readers build an effective system for processing a variety of increasingly challenging texts over time.

Guided reading is not just an exercise to practice reading skills. It is research-based, professionally energized, highly targeted, scaffolded reading instruction that propels all students toward confident, independent reading of high quality grade level books across a diverse array of literature and informational genres. Reading well means reading with deep, high quality comprehension and gaining maximum insight or knowledge from each source.
